

January 27, 1975

same as all other courts. This was an amendment requested by the workmans compensation court. The committee went along with it. There was no opposition to the amendment.

PRESIDENT: Any discussion on the amendment? Question is, shall the amendment to LB 97 pass on General File. Record your vote. Please record.

CLERK: 33 ayes, 0 nays, 16 not voting, Mr. President.

PRESIDENT: The amendment passes. Senator Luedtke. Senator Mills.

SENATOR MILLS: Mr. President, members of the Legislature. LB 97 is a very simple bill to allow counties of less than 4,000 population to contract for jury room facilities with an adjoining county. This was primarily brought to my attention from Arthur County, population less than 800, who have to, by law, spend \$5700 on their jury room. They've had one jury trial in 25 years. To me this seemed to be a waste of money for them to have to spend all this to bring their jury room up to certain standards. The counties contacting will pay all the cost of transportation for jury, all cost to the adjoining county. I move that LB 97 be moved to E & R for initial.

PRESIDENT: Is there any further discussion? Question is, shall LB 97 be advanced to E & R initial. Record your vote. Record the vote Mr. Clerk.

CLERK: 37 ayes, 0 nays, 12 not voting, Mr. President.

PRESIDENT: Members of the Legislature, indulge the Chair if you would. At the request of Senator Bereuter I'd like to recognize 35 seniors in the North balcony from the Government Class of Stromsburgs highschool. Mr. Deland is their teacher. Welcome to the Legislature and thank you for coming.

We also have in the South balcony county agents, I believe, from Platte, Polk and Butler counties. I think that's Schmit and Dworak country if my memory serves me right. Welcome to all of you people to the Nebraska Legislature. And Bereuter, the Clerk reminds me. We've got a double-dipper in Senator Bereuter this morning. Thank you all for coming. Proceed Mr. Clerk.

CLERK: Mr. President, LB 42 introduced by the Nebraska Retirement Systems Committee and signed by the members thereof. (Title read). There are committee amendments by Senator Hasebroock's Retirement Committee.

PRESIDENT: Chair recognizes Senator Hasebroock.

SENATOR HASEBROOCK: Mr. President, members of the Legislature. The standing committee amendment is an amendment that inadvertently -- in the bill the municipal judges were left out. This is a bill to coordinate all of the judges, all the retirement systems. This is the reason for the amendment. It really restructures the bill. This is the only reason for the amendment. I move that the amendment be adopted.

PRESIDENT: Is there any discussion on the motion to amend? Record your vote. Mr. Clerk record the vote please.

CLERK: 33 ayes, 0 nays, 16 not voting.
